From the Board . . .

Dear Neighbors,

Welcome to summer in Ohio! The kids are out of school, the temperature is soaring and the orange barrels are out. On a positive note, everyone's homes are looking beautiful with blooming flowers and freshly mowed grass. The entrance looks especially colorful this year with the addition of the zinnias.

Many homeowners have requested that we update our website and we are happy to report it is done! Please take a moment to look at it. We have received some very positive feedback so far.

Several new neighbors are listed here. Stop and say "Hello" when you see them out.

A new Board of Trustees was installed in January based on voting at our Annual Meeting in November. While they have been keeping our neighborhood ponds running, lights on, bills paid and so on, remember they are volunteers. If you have an interest in volunteering, please contact us at life@brynduwoods.com.

Have a great day!

Tracy Rizor
